

I am going back to Beck Primary School

Beck Primary School has been closed.

It has been closed because of
Coronavirus.

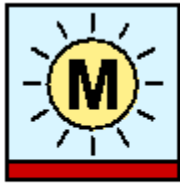

When school was closed I stayed at home.

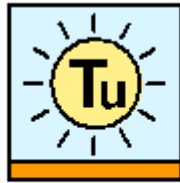

Beck Primary School is ready to open again soon.

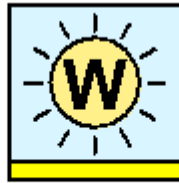

I will go to school:

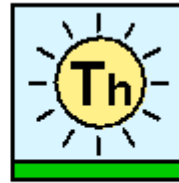

Monday

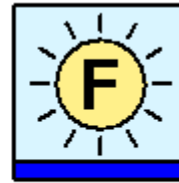

Tuesday

Wednesday

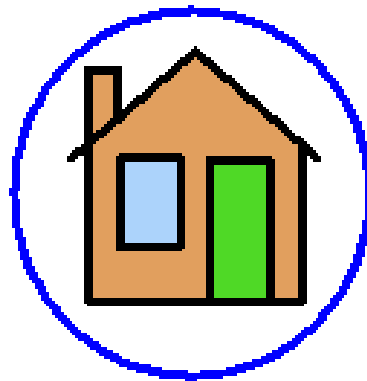

Thursday

Friday

Some weeks I will stay at home.

I will do my learning at home.

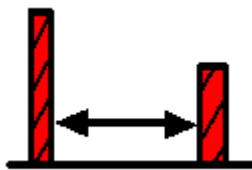

These are the things I will need to do in school:

Wash my hands

Keep apart (this is sometimes called social distancing)

Stay with my group

Stay in the places I am allowed to play

The grown-up bringing me to school will take me to the teachers and teaching assistants.

The teachers and teaching assistants from school will there to meet me.

This is Mrs Holt waiting at the gate!

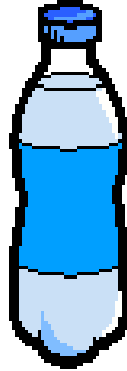

I will say "goodbye" to my grown-up at the gate.

While I am waiting with my grown up
I will stand on the blue lines.

This is Mrs Holt showing me the blue
lines!

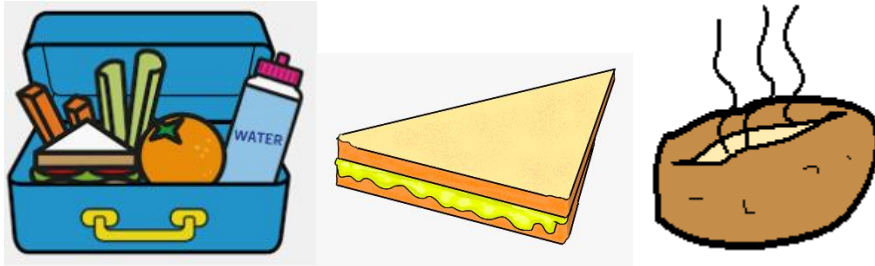

I will bring my own water bottle to school.

I won't put my coat or bag on my peg.
I will take it in the classroom with me.

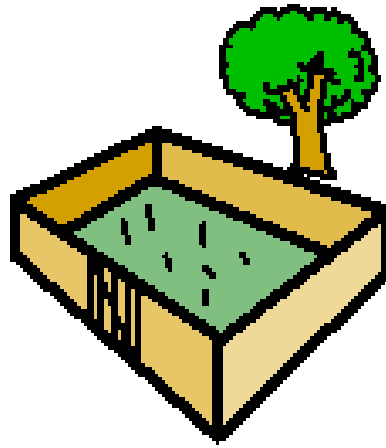

At lunchtime I can have a packed lunch, a school sandwich or a jacket potato.

I can have a packed lunch or a school sandwich in my classroom.

I can have a jacket potato in the dining room.

At playtime I can play in the area
that a grown-up shows me.

I will stay with my group.

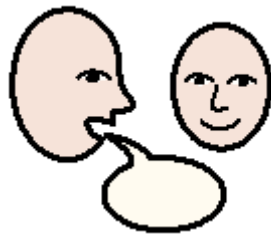

I might feel happy about going to school.

I might also feel worried.

If I feel worried about going back to school I can talk to a grown up.

Going back to school will be good.
