

I am going back to Nursery

Beck Nursery has been closed.

It has been closed because of
Coronavirus.

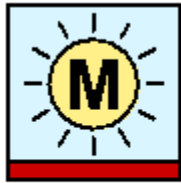

When nursery was closed I stayed at home.

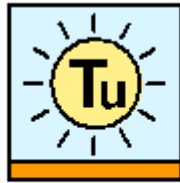

Nursery is ready to open again soon.

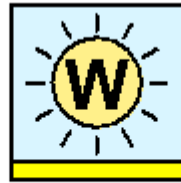

I will go to nursery:

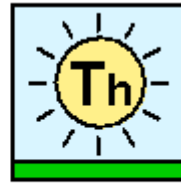

Monday

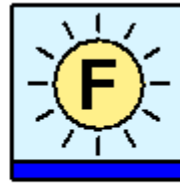

Tuesday

Wednesday

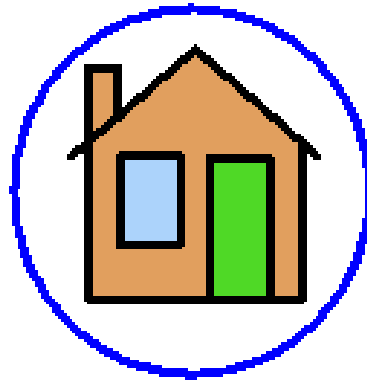

Thursday

Friday

Some weeks I will stay at home.

I will do my learning at home.

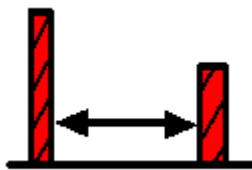

These are the things I will need to do in nursery:

Wash my hands

Keep apart (this is sometimes called social distancing)

Stay with my group

Stay in the places I am allowed to play

The grown-up bringing me to nursery will take me to the nursery grown-ups at the blue gates.

This is Miss Cooke waiting at the blue gates at nursery.

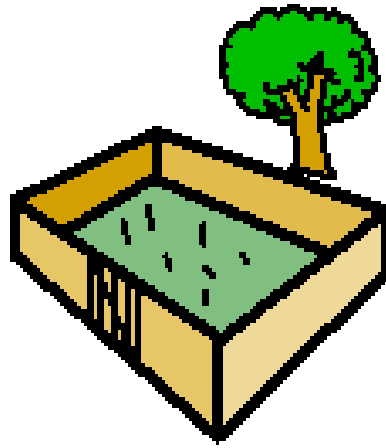

I will say "goodbye" to my grown-up outside nursery.

While I am waiting with my grown up
I will stand on the blue lines.

This is Miss Cooke showing me the
blue lines!

When I go outside I can play in the area that a grown-up shows me.

I will stay with my group.

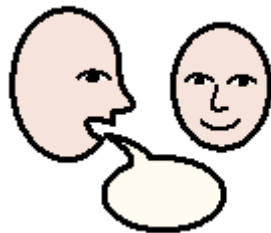

I might feel happy about going to nursery.

I might also feel worried.

If I feel worried about going back to nursery I can tell a grown up.

Going back to nursery will be good.
