

Going Back to Beck Primary School

Beck Primary School has been closed, like lots of other schools.

This was because of Coronavirus.

When school was closed we stayed at home and did our learning.

Beck Primary School is ready to open again soon.

I will go to school for one week.

Monday

Tuesday

Wednesday

Thursday

Friday

The next week I will stay at home and do my learning.

This is called a 'rota'.

When I am in school, it will be really important for me to follow some rules:

- I will need to wash my hands regularly

- I will need to keep apart from other people (this is sometimes called social distancing)

- I will need to stay with my group, and stay in my classroom

- At break times and lunchtimes, I will need to stay in the place I am allowed to be

- When I do move around school, I will move in one direction (sometimes called a 'one way system')

When I get to school, I will use the gate on Beck Road, and will line up on the blue lines - just like Mr Johnson, Mr Nettleship and Mr Wells!

Teachers will meet pupils on the yard.

I will use the doors on the Olympic yard to enter and leave school.

It is really important that I get to school at the time my teacher has told me.

I could write that time here: _____

I could draw it on the clocks:

I will bring my own water bottle to school. I can bring a sunhat if I need it and a packed lunch if I want, but I don't need to bring anything else!

I might not be in my usual classroom and with my usual teacher or teaching assistant. This is because I will be with other pupils who might be going to the same secondary school as me.

At lunchtime I can have a packed lunch, a school sandwich or a jacket potato.

I can have a packed lunch or a school sandwich in the classroom.

I can have a jacket potato in the dining room.

When it's time to go outside I need to stay in the area that is for my group.

I might have lots of different feelings about going back to school.

happy

excited

nervous

worried

This is okay.

I can talk to adults at home and school about how I am feeling.
