Dear Parent / Carer

### Y4 Multiplication Tables Check

At the beginning of June, Year 4 will be taking part in a statutory **Multiplication Tables Check**. The point of the check is to prepare children for Years 5/6, as it is very hard to progress in the curriculum unless you have rapid recall. It will also help us to identify if your child needs additional support with specific times tables in the future.

The Multiplication Tables Check is an on-screen check consisting of 25 times tables. Your child will be able to answer 3 practise questions before taking the actual check. They will then have 6 seconds to answer each question. On average, the check should take no longer than 5 minutes.

In school, we have been practising our times tables regularly working on our speed and fluency so each child feels prepared for the check. **We would greatly appreciate it if you could continue to support your child with their times tables learning at home.**

The best way to replicate this formal check is to practise on **TimesTable RockStars** in SOUND CHECK MODE as this is the same format as the check.

<https://play.ttrockstars.com/ttrs/online/play?mode=soundcheck>

Another great website to support your child with the Multiplication Tables Check is **Timestables.co.uk** as this is the same format as the check.

<https://www.timestables.co.uk/multiplication-tables-check/> or use the following QR code to access the website.

If your child has forgotten their TT Rockstars username and password, please ask their class teacher to provide you with it. We would like to encourage the children to practise at home at least **3 times per week** in the run up to June. If you are unable to access the websites above, please speak to your child's class teacher so they can provide you with alternative resources.

Thank you for your continued support.

Yours sincerely

Miss A Lilley  
Year 4 Lead
