Executive Headteacher
Mrs S Bridges

Dear Parent/ Carer

As you may be aware, from September 2020, the teaching of Relationships and Sex Education (RSE) will be compulsory. This means that all primary and secondary schools are legally required to teach RSE.

At Beck we have designed a scheme of work for Relationship Education. This was shared and consulted with parents who attended the meetings last year.

Pupils from Foundation stage to year 6 will have three RSE lessons throughout the year. These lessons will take place during Autumn, Spring and Summer.

All year groups will teach the RSE lesson on the same day.

This first RSE lesson will be taking place on Wednesday 25th of November and the lesson objectives that will be covered in the first lesson are as follows:

Foundation 2 To recognise the importance of friendship

Year 1 To understand that we are all different but can still be friends

Year 2 To introduce the concept of gender stereotypes
To understand that there are differences between males and females but that this doesn't limit what they can do

Year 3 To identify that people are unique and to respect those differences
To understand some differences between male and female bodies including naming parts of the body

Year 4 To explore the human lifecycle
To identify some basic facts about puberty

Year 5 To explore the emotional and physical changes occurring in puberty

Year 6 To consider puberty and reproduction

The following link will direct you to the Beck School website where you can view the full curriculum.
