

R.E - The Seder Plate

During the festival of Passover, Jewish people remember the story of the 10 Plagues of Egypt by eating a meal called the Seder. They eat 6 specific foods from a plate called a Seder plate.

Each piece of food represents an important part of the Passover story to remind Jewish people of why they celebrate the festival. These videos explain more about each item of the Seder plate and the Seder meal itself.

<https://www.bbc.co.uk/bitesize/clips/z3n34-wx>

<https://www.youtube.com/watch?v=O6hN2zRtDlw>

For those who may not be able to access the videos each item represents the following:

1. Roasted Egg: Represents the sacrifice that used to be made by the Israelites at temple
2. Shankbone: Represents the sacrifice of a lamb that used to be part of the original Passover celebrations
3. Bitter Herbs: To remember the bitterness of slavery
4. Parsley: Dipped in salt water to represent the tears shed by the slaves
5. Apples, nuts, spices and wine: Represent the mortar used to make the Egyptian buildings
6. Romaine Lettuce: in addition to the bitter herbs

Year 4 RE Home Learning

Week Commencing 1st
February 2021

R.E - Broadsheet

For your Passover broadsheet this week, we want you to do a drawing of the Seder plate and include pictures of the six foods that are eaten during the meal. Please label what each food is and if you can fit it on the picture, what each food represents.

I have included an updated example sheet that I have made with my Seder Plate added. I cut my paper into a circle to represent the plate.

PSHE

This activity was included on the Topic Worksheet for last week but as there were a couple of RE activities I am conscious many may not have had chance to do this particular PSHE activity at the following link:

<https://classroom.thenational.academy/lessons/money-money-money-6lqked?step=2&activity=video>

If you cannot access the link please have a go at answering the following questions:

1. Why do we have money?
2. Why can it be better to save money rather than spend it?
