

10TH DECEMBER 2021

It's been another busy but fun week at Beck. Children have been enjoying lots of fun activities in the run up to Christmas. Our Theraplay group have been making festive snowmen marshmallows. In Nursery children have been painting snowmen and we have finally had good enough weather to hold our Y4 and 6 Carol Concerts outside. Thank you to all the parents who came to watch and support.

But it's not all been about Christmas. Children have been working hard on end of term topic outcomes.

In Year 1, children have made models of villages as an outcome to their topic 'Is everywhere like where we live?'.

In Year 4 children have made amazing 3D structures representing their ideas for buildings that would make Shiregreen even better as an outcome to their topic 'What makes a building iconic?'

And, in Year 6 children have been making Brazilian Truffles which they have sold to raise funds for the

Rainforest Trust as part of their topic 'Are humans good for the planet?'
